Re: **Request to Participate in a Syndicated Patent Acquisition**
Syndicate Number: **P66425**

1) We would like to participate in the syndicate being organized by SynPat pursuant to the above reference.

2) We acknowledge receipt from SynPat of the following documents: a) Patent Purchase Agreement, executed by SynPat (as purchaser) and the Patent Seller; b) Patent License Agreement between SynPat (as Licensor) and us (as Licensee), signed by SynPat; c) Invitation to Participate in a Syndicated Patent Acquisition, from SynPat; and d) this Request to Participate.

3) We understand that:

   a) SynPat has an option to acquire, on or before the Exercise Date, the Patents at the Purchase Price, all as set forth in the Cover Sheet of the Patent Purchase Agreement. Since we have already been granted a License under the Patents by SynPat according to the Patent License Agreement, our License shall be in full effect when the Patents are assigned to SynPat.

   b) Our License Fee will be equal to our Average Annual Revenues (AAR) multiplied by the ratio between the Cash portion of the Purchase Price (PP) and the Aggregate Average Annual Revenues (AAAR) of all other Participants (AAR * PP / AAAR), up to the maximum we authorize below.

   c) If we decide to acquire SynPat's rights to license the third party(ies) that we designate below, we shall pay the cost of such license had it been paid by each Designated Third Party as a non-Participant licensee (Designated Third Party's AAR * 1.5 * PP / AAAR).

   d) Upon formation of the syndicate, SynPat will send to us a Syndicate Formation Notice that will include the AAAR of all other Participants. We will then calculate our License Fee (AAR * PP / AAAR) and wire it within three (3) days to SynPat's bank account as stated in the Patent License Agreement.

   e) SynPat will hold our License Fee and will release it, together with the license fees paid by all other Participants, directly to the Patent Seller - only after the Patents are assigned to SynPat and our License is in full effect, otherwise, it will wire our License Fee back to us to our account stated bellow.

   f) Upon submitting this Request to Participate, we will automatically receive a copy of this form, and SynPat will contact us to verify the accuracy of all the details included in this form.

4) Our AAR is: ___ U.S. Dollars. The maximum License Fee we would be willing to pay is _____ U.S. Dollars.

5) We would like to acquire SynPat's rights to license the following Designated Third Parties: _____.

6) We ☐ do not / ☐ authorize SynPat to disclose our interest in participating to others.

7) Our Account number: _____, at Bank _____, ABA/Routing Number: _____.

Our signature bellow acknowledges that we have read, understood and agree to be bound by the terms and conditions of the Patent License Agreement as of our signing date below:
